Common Sense Reminder for Winter "Švente" Participants: *Neringa's primary mission is to foster the cultural, spiritual, and personal development of children. The Winter "Šventė" is a social event, but we ask that participants be mindful of their actions regarding alcohol. Should a person wish to share an alcoholic drink in fellowship, Neringa expects that person to be at least 21 years old and to act responsibly. In addition, Neringa asks people to drink from plastic cups (not glass bottles or cans). Please dispose of containers properly in the designated areas. Let us celebrate together in the true spirit of Neringa.*

I have read the common sense reminder for Neringa Iškyla participants. My family and I agree to abide by these principles. I understand that my family and I may forfeit my/our right to be at Camp Neringa for violating the spirit of these guidelines.
